

## Bedroom Configurations by Occupancy within the Residence Halls

This list shows student rooms which exist within the residence halls designated as upper-level housing. Not all room configurations may be available to select during the lotteries. Specific rooms included in each lottery event will be viewable in *MyHousing* the day prior. Spaces will be designated male or female, based on the number of students remaining to select housing.

| 4 person options | Bedroom configuration per unit                         |
